Chairman's Report

To all members.

In October 2012 Aisne and I were very privileged to be able to visit a number of old car museums and private collections in the USA and Canada. So we've come back fired with enthusiasm for old cars and the old car movement and especially the VSCC.

We would like to share this enthusiasm with all the VSCC members and would really welcome everyone's participation in club events. The VSCC is one of the very few motor clubs in SA that has security of tenure by owning their club-house. So in 2013 it would be great if we could all make more use of the facilities we have.

As you know, the Klink is open every Friday evening. If enough interest is shown and members think it necessary, a big screen TV will be installed for the member's enjoyment, including sport. Come and join us for a drink and a chat! From January 2013 we will be organising monthly dinners at the club, to be partially sponsored by the VSCC for members. We plan to arrange more outings and would be very happy if anyone has any other suggestions.

I will be co-ordinating the organising of the 2013 "Cars in the Park" and would really appreciate the assistance of any club members who are interested in making it a great show. This is not a one-man band but can only be run successfully with your help. Most important is that you also bring your cars to our club area in the Park.

To paraphrase the late Jack Kennedy's speech: "Ask not what your club can do for you but what together we can do for your club".

Looking forward to seeing everyone in the New Year

Happy motoring

Fred
